

60th Anniversary Year

This year is our 60th birthday, which we are celebrating with special events in May and September. Our regular events continue, with An Evening of Steam and Song brought forward to June and our Santa Specials again rounding off the year.

GELERT'S FARM

All trains stop over at the halt here and you are invited to visit our covered hands-on museum and our main train shed. All called after a farm because that's what was here back in the day!

You can climb on to the footplate of a real steam locomotive, explore the exhibits and ride the runaway train! See a little of the history of the railways of the area and how Porthmadog helped to bring narrow gauge railways to the world.

On the outside, children and adults of all ages can enjoy a ride on our miniature railway on most days and at no extra cost.

We then return to Porthmadog (WHHR) Station, in just under an hour after departing. Don't forget that you can do it all again, your ticket lasts all day!

WELCOME TO THE WHHR

You will be given a warm welcome at our Porthmadog (WHHR) Station. The railway's gift, book and model shop is extremely well-stocked, ideal for any enthusiast and children of all ages. Call into Caffi Russell's Cafe for some freshly prepared food and drink. Remember to purchase your 'All Day' ticket (the ticket office is in the shop) for a fascinating journey through history!

The train waiting will be formed of historic carriages and one of our diesel or historic steam locomotives. Once the doors have been closed, we are ready for departure. The guard will show the green flag and we set off on the short journey to our station at Pen y Mount Junction.

Here the guard welcomes and invites you to alight from the train. Watch the signals change, see the engine running past before coupling back to the carriages. We're now ready to take you to our all-weather railway heritage centre, where plenty of attractions await children and adults alike.

KEEPING OUR HERITAGE ALIVE

Our railway is mostly run by volunteers from all over the British Isles and even further.

We are always seeking more help in many areas, from running our trains during the operating season to winter maintenance, spring cleaning and refreshing the museum, to name just a few. Please enquire at our shop or email info@whr.co.uk

To help cover the cost of running the trains and the museum we also depend on donations. Please keep an eye open for opportunities to contribute!

2024 Driver Experiences

If you fancy an opportunity to drive or ride on a railway engine take a look at the range of experiences that we offer! There are three special driving options, full day, evening and new for 2024 taster experiences. We also offer footplate rides on any scheduled service if you just fancy a driver's eye view. More details are in the timetable, on our website or email bookings@whr.co.uk
